# Lux Table Information

## Continulux®

	1.5m wide path		2m wide path	
	Ave (Lux)	Uo	Ave (Lux)	Uo
1m Pitch	339	36%	275	25%
1.5m Pitch	226	36%	183	25%
2m Pitch	170	34%	138	25%
2.5m Pitch	140	30%	113	23%
3m Pitch	118	25%	96	21%

## Continulux®

Our continuous LED handrail lighting solution.

Beautifully designed and engineered with symmetric or asymmetric light flow options.

## F48 Modula

	1.5m wide path		2m wide path	
	Ave (Lux)	Uo	Ave (Lux)	Uo
0.5m Pitch	261	29%	206	16%
1m Pitch	130	30%	103	17%
1.5m Pitch	87	29%	68	17%
2m Pitch	65	28%	52	16%
2.5m Pitch	54	23%	43	15%
3m Pitch	46	19%	36	13%

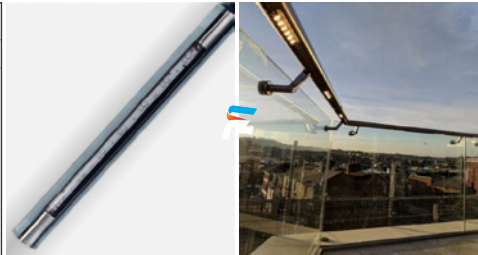

## F48 Modula

21 years of trouble free installation across the UK and Europe with constant upgrading to keep pace with the latest in LED technology.

140mm with symmetric and asymmetric options.

## F300 Modula

	1.5m wide path		2m wide path	
	Ave (Lux)	Uo	Ave (Lux)	Uo
0.5m Pitch	307	36%	244	15%
1m Pitch	154	36%	122	15%
1.5m Pitch	102	37%	81	16%
2m Pitch	77	35%	61	15%
2.5m Pitch	62	35%	50	15%
3m Pitch	52	34%	42	15%

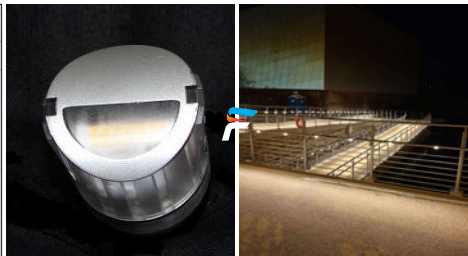

## F300 Modula

PCB board using high powered Cree LED's for unrivalled performance. As with all our lights this luminaire has its dedicated emergency LEDs to ensure the highest safety standards are met.

300mm with asymmetric or symmetric options

## Spot Modula

	1.5m wide path		2m wide path	
	Ave (Lux)	Uo	Ave (Lux)	Uo
0.5m Pitch	59	17%	45	6%
1m Pitch	29.6	16%	22.7	6%
1.5m Pitch	19.5	16%	13.8	6%
2m Pitch	14.8	13%	11.4	6%
2.5m Pitch	12.5	10%	9.6	5%
3m Pitch	10.5	8%	8	5%

## Spot Modula

Our 28mm Diameter Spot luminaire fits perfectly to the rail contour for vandal resistant elegance. It has high performance combined with excellent thermal management.

Asymmetric and symmetric options

No tilt has been included - but is possible to increase Uo levels.  
 All fittings mounted 1m from floor level.  
 All fittings spaced equally.
